

# CULTURE DAY

## APRIL 12

Dear Patapsco Parents/Guardians :

We are excited to announce that our first Culture Day here at Patapsco will be on **April 12, 2019**. This will be a day about showcasing the cultures within our community, and we need YOUR HELP!!

We need parents or family members who are willing to host hands-on learning activities about their culture with the students and staff here at Patapsco. You would present four thirty-minute sessions to our students (8:45am – 10:53am). Each session would be the same. Presenters would need to arrive at 8:15am to prepare.

Do you have a traditional dance that students could learn?

Do you have a traditional food you could share with us?

How about something unique about your language?

Is there a craft or game you would like to share about your culture?

Are there other activities you would like to share about your culture?

These are just a few ideas, but we would love to hear from you about what you might want to share!

All cultures should be cherished. Please consider volunteering to host a cultural learning activity with us here!
