On January 13, Lifetouch Photography will be at Patapsco for School Picture Make-Ups and Retakes. Any students who did not have their picture taken on our original picture day in October will have pictures taken. Also, any students who would like to have their pictures retaken may bring their picture packet from October to turn in and have a new picture taken.

Hearing and Vision Screening

Parents/Guardians:

The Howard County Health Department and HCPSS School Health Services support your student's academic success by providing vision and hearing screenings at your child's school. These screenings are required by Maryland State Law.

Screenings are provided to the following students:

- Students in PreK (vision only), Kindergarten, 1st and **8th** grades
- **All students K-8 new to the state of Maryland** that do not have a record of prior vision and hearing screening within the last 12 months

- High School students enrolling in the public school system in the United States for the first time.

Patapsco's vision and hearing screening will be held on Wednesday, January 21. If your child has glasses, please make sure that he or she wears them on the screening day.

Your child will receive these screenings unless you object for religious reasons. Please send a letter to your child's school health room if you choose to opt out of the Health Department screenings.

If your child does not pass either the vision or hearing screen, you will receive a letter from his or her school notifying you of this result. It is then recommended that you take your child to have his or her vision evaluated by an eye care specialist or that you contact your child's medical provider for a referral to an audiologist for a complete hearing evaluation.

A vision screening does not take the place of a comprehensive eye exam.

Should you have any questions, please contact our school nurse at 410-313-2848 or the Vision and Hearing Program Supervisor at 410-313-7210. If you need information about the Maryland Children's Health Insurance Program, please contact the Howard County Health Department at 410-313-5845

'Tis the Season!

Cold and flu season is here! How can you help?

- Donate tissues!** Please consider dropping off a box of tissues in the front office.
- Practice healthy habits - get plenty of sleep, be physically active, drink plenty of fluids, wash your hands often, and eat nutritious foods.
- If you have cold and flu symptoms, stay at home and rest!

Message from the Health Room

This is a friendly reminder from the Health Room regarding the Howard County Public School System's illness policy. As we enter flu season, it is especially important to help keep our school community healthy and safe.

Please be mindful of the following guidelines when deciding whether your child should attend school:

- **Children must be fever-free for 24 hours** (without the use of fever-reducing medication) before returning to school.
- **Vomiting or diarrhea:** Students should remain home until symptom-free for **24 hours**.
- **Contagious illnesses** such as strep throat, conjunctivitis (pink eye), or influenza often require staying home for at least 24 hours after starting treatment or as directed by your healthcare provider.
- If your child is experiencing **persistent cough, significant fatigue, chills, body aches or symptoms that interfere with learning**, please consider keeping them home to rest.

With flu and other seasonal illnesses circulating, we appreciate your help in preventing the spread of germs within our classrooms. Keeping children home when they are sick protects not only your child but also classmates, staff, and our wider school community. Thank you for your attention to these guidelines and for helping us maintain a healthy school environment.

If you have any questions, please feel free to contact the Health Room.

Sincerely,

Tiffany Ailstock, BSN, RN

PTA and Music Boosters

Please consider joining our PTA and Music Boosters. Each parent-led organization does so much for our school. We appreciate your membership and donations as they directly support the students and staff at Patapsco Middle School. Please consider joining the [PTA](#) and/or [Music Boosters](#) as we could not do a lot of the exciting initiatives for our kids without these organizations!

Cell Phones

Cell phones should not be seen or heard during the school day. Reminders about the [HCPSS Policy 8080-Student Personal Device Use in Schools](#) were shared with students on the first day of school.

Forgotten Items

We are happy to accept lunches, instruments, homework, school projects, keys, or other items as long as they are brought to school before 10:30. All items can be put on the table in the foyer and labeled with student's name and grade. Lunches that are brought in late are taken to the cafeteria and a general announcement is made.

We cannot accept items for delivery to students after this time period, with the exception of emergency situations, as we are committed to minimizing classroom interruptions throughout the school day. We know homework, projects and instruments are important to our students, so we ask for your help in assisting students prepare for the day the night before, or the morning of, to ensure they have everything they need.
