Heart & Sole

Heart and Sole (Girls on the Run program for 6th - 8th graders) helps girls (this includes any female-identifying and non-binary young people) unleash their potential by focusing on five key things: body, brain, heart, spirit, and connection. Participants work on setting goals geared toward physical, emotional, and relational health, and actualize those goals through exercise, community building, and connection.

The spring season runs from Tuesday, March 19th (first practice) to Tuesday, June 4th (end-of-year celebration). Each season ends with a noncompetitive 5K (Sunday, June 2nd) where participants celebrate who they are, how far they have come, and where they want to go. The program will run after school on Tuesdays from 3:15 pm - 5:15 pm and will meet in Ms. Kelly's room (A4).

Participants must register through Girls on the Run of Central Maryland and can do so using the following link - [Heart & Sole Registration](#)

If you have questions/concerns about the program, registration process/fees (financial assistance is available!!), or anything else, please contact the intramural sponsor(s), **Ms. Grace Kelly** (grace_kelly@hcpss.org) or **Ms. Tracey Mahanti** (tracey_mahanti@hcpss.org)

Important Reminder about Bullying

As we approach the second half of the school year, we wanted to remind you that HCPSS is dedicated to providing a safe and supportive environment that focuses on student well-being. We are taking this time to uplift the importance of reporting any type of bullying that has occurred. We will be reviewing this with our students and staff as we start the second half of the school year, and hope that you too can uplift this at home.

For children facing the emotional toll of bullying, a supportive individual can make all the difference. Please encourage your children to reach out to a trusted staff member at school should they need to report anything. As parents and guardians, you will use the same reporting form as students by following the steps outlined below.

How do I report bullying?

1. When you believe bullying has taken place, you should report it through the Bullying, Cyberbullying, Harassment and Intimidation (BCHI) reporting form. Reporting can take place in one of three ways:
 - a. Complete a [BCHI online reporting form](#)
 - b. BCHI paper reporting form (available in the main office, staff workroom, school counseling office, media center, and health services office)
 - c. An oral report to a staff member

2. It is important to note that policy states “in the event the reporting party does not complete a BCHI Reporting Form, school administrators/supervisors will take the appropriate steps to address and document the incident.” Therefore, if you or someone else makes an oral report, it then must be documented (i.e. through a BCHI reporting form) by the administrator.

Thank you for your partnership and attention to this important topic.

Leadership Opportunity for All 6th-11th Grade Students

On March 20, 2024, HCPSS will host a convention in which student delegates from every school will nominate two finalists for the Student Member of the Board (SMOB) position, and YOU can be a part of it too! Serving as a student delegate is a great leadership opportunity which allows you to represent your school, meet and work with new people, and have a voice in the SMOB selection process. Keeping Students Healthy and In School this Winter

This is the time of year when the winter season takes a toll on school attendance. Common illnesses such as colds, flu, fevers, earaches and Covid-19, along with unpredictable winter weather, can result in students having to miss school. These absences, even when they are excused, break the routine of daily attendance that contributes to students feeling connected and engaged in learning. Please click [here](#) for some steps to help keep students healthy this winter.

Forgotten Items

We accept lunches, instruments, homework, school projects, keys, or other items as long as they are brought to school **before 10:30 AM**. Items can be dropped off and labeled with the student's name and grade and put on the table in the foyer. Lunches are taken to the cafeteria and placed on the stage for students to retrieve. We are seeing an increased amount of lunches being brought in, please whenever possible send your child's lunch with them to help save time for you and the office staff.

We know homework, projects and instruments are important to our students, so we ask for your help in assisting students prepare for the day the night before, or the morning of, to ensure they have everything they need for the school day.

CELL PHONES - MIDDLE SCHOOL

This is a friendly reminder to our community that per HCPSS Policy 8080, middle school students “will not use personal technology devices during non-instructional time, to include but

not limited to transition between classes, lunch, recess, or in bathrooms.” Please remind your students that their cell phones should be off and away during the school day. Students are always welcome to use an office phone to reach out to a parent during the school day. If you need to get a message to your child, please call the front office at 410-313-2848.

Update Your Family File!
