My Life, My Story: Narrative in Art Exhibit

Congratulations to Angela Shiano Di Cola and Sahib Singh for representing Patapsco Middle School in the My Life, My Story: Narrative in Art exhibit at the Howard County Arts Council. Under the direction of their teacher, Nancy Mitchell, students created art that combined AI (artificial intelligence), a contemporary and controversial visual technology, with weaving, one of humanity's oldest art and craft processes, to create narratives that focused on personal choice-making and the ways we tell stories. The exhibit, which includes artwork from students from each Howard County school, runs through March 31, 2024.

Howard County Literacy Association Young Author's Contest

This year, we had many creative students submit original poems and short stories to the Young Authors' Contest, and we're proud to say that we had TWO second place winners from Patapsco!!! Please congratulate Adithi Kolli, 2nd place, original short story and Vera Sawhney, 2nd place, original poem. A special thanks to parents and staff members who encouraged and informed students about the contest.

SPRING CLEANING? Clothing to Cash- easy donation!

Please donate to our Clothing to Cash fundraising program! [Clothing to Cash](#) is a textile recycling program that donates money to the school for every pound of donated items. Look for the white donation bin in the parking lot. Clothing to Cash will accept items in ALL conditions: new with tags, or torn, stained, worn-out knees, shoes with holes or only one shoe, backpacks, old sheets, towels, blankets, stuffed animals and more. What a great way to help the school and clean out your closets! All donations must be bagged and put in the collection bin.

LGBTaQ&A

This program is an opportunity for parents to meet, connect, and learn. In this second LGBTaQ&A, we'll be joined by Millisa Bell, an HCPSS graduate, and her mom, Dr. Keisha Bell, to speak with parents about their personal advocacy journey both in and out of HCPSS.

Students currently enrolled in HCPSS are also welcome to attend.

A special activity has been planned for attending students to connect with each other as well as learn effective communication skills to engage with peers and adults.

Space is limited. See below for a link to the Flyer advertisement as well as a link to register.

Heart & Sole

Heart and Sole (Girls on the Run program for 6th - 8th graders) helps girls (this includes any female-identifying and non-binary young people) unleash their potential by focusing on five key things: body, brain, heart, spirit, and connection. Participants work on setting goals geared toward physical, emotional, and relational health, and actualize those goals through exercise, community building, and connection.

The spring season runs from Tuesday, March 19th (first practice) to Tuesday, June 4th (end-of-year celebration). Each season ends with a noncompetitive 5K (Sunday, June 2nd) where participants celebrate who they are, how far they have come, and where they want to go. The program will run after school on Tuesdays from 3:15 pm - 5:15 pm and will meet in Ms. Kelly's room (A4).

Participants must register through Girls on the Run of Central Maryland and can do so using the following link - [Heart & Sole Registration](#)

Important Reminder about Bullying

As we approach the second half of the school year, we wanted to remind you that HCPSS is dedicated to providing a safe and supportive environment that focuses on student well-being. We are taking this time to uplift the importance of reporting any type of bullying that has occurred. We will be reviewing this with our students and staff as we start the second half of the school year, and hope that you too can uplift this at home.

For children facing the emotional toll of bullying, a supportive individual can make all the difference. Please encourage your children to reach out to a trusted staff member at school should they need to report anything. As parents and guardians, you will use the same reporting form as students by following the steps outlined below.

How do I report bullying?

1. When you believe bullying has taken place, you should report it through the Bullying, Cyberbullying, Harassment and Intimidation (BCHI) reporting form. Reporting can take place in one of three ways:
 - a. Complete a [BCHI online reporting form](#)
 - b. BCHI paper reporting form (available in the main office, staff workroom, school counseling office, media center, and health services office)
 - c. An oral report to a staff member
2. It is important to note that policy states “in the event the reporting party does not complete a BCHI Reporting Form, school administrators/supervisors will take the appropriate steps to address and document the incident.” Therefore, if you or someone else makes an oral report, it then must be documented (i.e. through a BCHI reporting form) by the administrator.

Thank you for your partnership and attention to this important topic.

HCPSS Emergency Notifications

As we head into winter weather, [families are reminded](#) that in emergency situations (including inclement weather), information will be shared with the community only through the HCPSS website, email and text, Twitter and the HCPSS weather hotline. [Be sure your Family File is up to date](#) and that you have [opted into texts](#) to receive emergency messages.

Forgotten Items

We accept lunches, instruments, homework, school projects, keys, or other items as long as they are brought to school **before 10:30 AM**. Items can be dropped off and labeled with the student's name and grade and put on the table in the foyer. Lunches are taken to the cafeteria and placed on the stage for students to retrieve. We are seeing an increased amount of lunches being brought in, please whenever possible send your child's lunch with them to help save time for you and the office staff.

We know homework, projects and instruments are important to our students, so we ask for your help in assisting students prepare for the day the night before, or the morning of, to ensure they have everything they need for the school day.

CELL PHONES - MIDDLE SCHOOL

This is a friendly reminder to our community that per HCPSS Policy 8080, middle school students “will not use personal technology devices during non-instructional time, to include but not limited to transition between classes, lunch, recess, or in bathrooms.” Please remind your students that their cell phones should be off and away during the school day. Students are always welcome to use an office phone to reach out to a parent during the school day. If you need to get a message to your child, please call the front office at 410-313-2848.
