Parents/Guardians: Please help your child replenish supplies during the year as needed.

This list should not be considered 'all inclusive'. Some additional supplies may be requested at the beginning of the year. **Please save your receipts so you can return items that may not be used based on class assignment.** Please call Student Services at 410-313-2850 if your student is in need of assistance in acquiring school supplies.

The TI-84 Plus Silver Edition or CE (handheld) graphing calculator will be used in Howard County mathematics courses beginning with Algebra 1 and extending through the end of the mathematics course sequence. Although students will be provided with a graphing calculator for use in school, and have the ability to borrow one for out of school use, students may opt to have their own personal handheld graphing calculator. Students who go on to take mathematics courses in college will often be able to use the same calculator for college course work.
